Dear Sixth Grade Families,

Sixth graders have the unique opportunity at the beginning of the 2019-20 school year to attend the Outdoor Education program at Northern Illinois University—Lorado Taft Field Campus from Thursday, September 12 through Friday, September 13, 2019. This is a community building and learning experience that gives students an understanding and awareness of the natural community by studying and interacting with the natural world. Lessons will be co-taught by Nettelhorst and Northern Illinois staff.

- The cost of $135 includes transportation, meals, lodging, and activities.
- This permission slip, signed water policy acknowledgement (back of this sheet), payment, and health form are due at the ice cream social/school registration August 28, 2019, prior to the school year. Make checks payable to “Nettelhorst Elementary School” and note “Outdoor Ed Field Trip” in the memo line.
- The goal is 100% participation. If you have any issues with payment, we are happy to make arrangements for you. Please email Mrs. Holmes at lholmes2@cps.edu as soon as possible.
